CERTIFICATE OF COMPLETION

CONGRATULATIONS

PRITHIVIRAJ R

has successfully completed the
Employability skills - Hackathon

Conducted by MBK Technology, (an initiative under The SM Groups).

This is to certify that the participant has successfully completed the Employability Skills Hackathon Exam. During this program, the participant demonstrated strong problem-solving abilities, effective communication skills, teamwork, and practical application of employability concepts in real-world scenarios. Their performance reflects dedication, active participation, and a commitment to enhancing their career readiness.
