Professional Summary

Motivated and enthusiastic B.Tech student pursuing Artificial Intelligence and Data Science at Priyadarshini Engineering College. Currently in the 5th semester with a strong interest in Artificial Intelligence, Machine Learning, Data Analytics, and Cloud Computing. Possesses excellent communication, teamwork, and presentation skills developed through active participation in academic events and symposiums. A quick learner with a positive attitude, seeking internship opportunities to gain practical industry experience and contribute to innovative projects.

Education

Artificial Intelligence and Data Science

Bachelor of Technology (B.Tech)

Current Status: 3rd Year, 5th Semester

Priyadarshini Engineering College, Anna University

2024 – 2028

Skills

Programming: Python (Learning), C Programming (Planning to Learn)

Soft Skills: Critical Thinking, Time Management, Adaptability

Areas of Interest: Artificial Intelligence, Machine Learning, Data Analytics, Cloud Computing

Tools

Microsoft Excel

Microsoft PowerPoint

Visual Studio Code (VS Code)

Experience

Priyadarshini Engineering College

Artificial Intelligence and Data Science Student

2024 – Present

- Gaining knowledge in Artificial Intelligence, Machine Learning, and Data Science concepts through academic coursework.
- Developing analytical and problem-solving skills through academic assignments and practical exercises.
- Participating in technical discussions, presentations, and symposium activities.

Career Objective

To secure an internship opportunity where I can apply my academic knowledge, enhance my technical skills, gain real-world industry exposure, and contribute effectively to organizational goals while building a successful career in Artificial Intelligence and Data Science.
